

## PART 3

# ARCHAEOLOGIA JAPONICA

Annual Report of the Japanese Archaeological Studies and Excavations,  
Fiscal Year 2012 (April 2012~March 2013)<sup>1</sup>

## II. TRENDS IN JAPANESE ARCHAEOLOGICAL ACTIVITIES ABROAD

<sup>1</sup>This part is a reproduction of the English summary section (pp. 353–373) of *Nihon kokogaku nenpo* (*Archaeologia Japonica*), Vol. 65 (2014, Tokyo: Japanese Archaeological Association) with minimal editorial adjustments by the Editorial Board. Each chapter is a *summary* translation of the annual review of each archaeological period and activities of the Association. The original translation works were undertaken by Naoko COJERIAN (*not* by the Editorial Board), except the reviews by Robert L. KELLY. The style of citing papers, book chapters and books is not unified between chapters.
