

PART 4

NOTEWORTHY ARCHAEOLOGICAL SITES, ISSUE 2014

The contents of this section, linked to the official Japanese Archaeological Association website*, were selected from *Hakkutsu sareta Nihon rettō 2014* [Excavations in the Japanese Archipelago, 2014] (Bunkachō [Agency for Cultural Affairs], ed., Asahi Shimbun Publications, 2014), translated and prepared for presentation on this website by the International Exchange Committee of the Japanese Archaeological Association (Tokyo, Japan). All photos are used with permission of the organizations in charge of the respective excavations.
