

PART 3

ARCHAEOLOGIA JAPONICA

Annual Report of the Japanese Archaeological Studies and Excavations,
Fiscal Year 2013 (April 2013~March 2014)¹

I. TRENDS IN ARCHAEOLOGY IN JAPAN

¹This part is a reproduction of the English summary section (pp. 349–370) of *Nihon kokogaku nenpo* (*Archaeologia Japonica*), Vol. 66 (2015, Tokyo: Japanese Archaeological Association) with minimal editorial adjustments by the Editorial Board. Each chapter is a *summary* translation of the annual review of each archaeological period and activities of the Association. The original translation works were undertaken by Naoko COJERIAN (*not* by the Editorial Board), except the review by KUWABARA Hisao. The style of citing papers, book chapters and books is not unified between chapters.
