

PART 2

ARCHAEOLOGIA JAPONICA

Annual Report of the Japanese Archaeological Studies and Excavations,
Fiscal Year 2014 (April 2014~March 2015)¹

I. TRENDS IN ARCHAEOLOGY IN JAPAN

¹This part is a reproduction of the English summary section (pp. 367–384) of *Nihon kokogaku nenpo* (*Archaeologia Japonica*), Vol. 67 (2016, Tokyo: Japanese Archaeological Association) with minimal editorial adjustments by the Editorial Board. Each chapter is a *summary* translation of the annual review of each archaeological period and activities of the Association. The original translation works were undertaken by Naoko COJERIAN (*not* by the Editorial Board). The style of citing papers, book chapters and books is not unified between chapters.
